

COLLEGE AND UNIVERSITY INSPIRATION

play, relax, live.

We give protection to stadium seats for spring baseball games. We shade students relaxing on benches waiting for class. We host group functions on Sundays. Together, we can create spaces where school friendships are made and memories are created. Come *play. relax. live.*

WHAT DO WE OFFER?

Superior Recreational Products proudly offers both outdoor steel and recycled playgrounds, standard and custom logo site amenities, and shade and shelter options for your venue.

Seminole County Sports Complex

SANFORD, FLORIDA

This 100-acre sports complex located in Seminole County is home to 15 state-of-the-art athletic fields, batting cages, and walking paths among many other amenities. Superior supplied T-Cantilever shades in various color schemes for spectator seating across all 15 athletic fields. Additionally, we supplied Cantilever Umbrella shades for each field's score keeper and a large sail shade for a picnic area.

Baylor University

WACO, TEXAS

Baylor University's Hurd Tennis Center features 12 outdoor tennis courts, 6 of which are championship courts. Overlooking the championship courts is the shaded Bradley R. Hulse Grandstand. Superior provided 15 custom cantilever shades that matched the Baylor University green.

University of West Georgia Campus Center **CARROLLTON, GEORGIA**

Overlooking the University of West Georgia's Love Valley, the outdoor patio at the 131,000 square foot Campus Center features 5 of Superior's Hyperbolic Sail Shades and 2 Standard Sail Shades. Students can now enjoy the large shaded space for studying, dining, or hosting events. This shade was engineered to include electrical outlets in the posts. Additionally, the university installed a lighting and sound system.
