### Playground Fundraising Ideas

## What is the best fundraiser for your school playground?

Playground fundraising is one of the most challenging obligations any school PTA/PTO or church can take on. Finding the balance between time, energy, and overall fit given your school's region and resources and maximizing them is a science. An average sized commercial playground for a school of 1,200 students will cost close to \$50,000. *That's \$41.67 per child!* Fortunately, the [Fundraising Success E-book](#) Suite takes all of the pain out of the research process for determining the **best fundraising ideas**. Kimberly Reynolds has reviewed over 170 fundraiser ideas that work for schools, churches, daycares and non-profits and quantified each of these to determine the best overall performers. To view the complete list of over 250 pages and 170 products, in addition to the 300 pages of supplier profiles by category and a whopping authoritative guide to fundraising, visit [Fundraising Success](#) and scroll to the link on the left address bar to **"My Book"** to gain instant access to the e-book suite. This is THE definitive guide to school fundraising.

## How To Evaluate A Fundraiser?

This Section contains an impartial yet subjective ratings system for all the main fundraising categories. A point value to the major components of each type of fundraiser has been included in three major categories resulting in a final overall score. The ratings have broken down into three main categories: Financial Aspects, Pro's & Con's, and Commitment Requirement, to produce an Overall Rating. She's also indicated the "Feel Good" factor, too.

### Worldwide Sources Kiwanis International Foundation

## Worldwide Sources Kiwanis International Foundation

This multimillion dollar foundation provides grants to thousands of organizations worldwide aimed at bettering the lives of children. The Kiwanis International Foundation Board of Trustees meets officially three times per year. Grant requests from throughout the world are reviewed at these meetings. Because funds are limited and needs are great, priority is given to programs that are Kiwanis-family related, national or international in scope, serve young children, and are consistent with Kiwanis International objectives. Funding for these grants is made possible from the generous contributions to the Foundation's Annual Club Gift Campaign and Kiwanis Children's Fund, among other donations.
