### Worldwide Sources Kiwanis International Foundation

## Worldwide Sources Kiwanis International Foundation

This multimillion dollar foundation provides grants to thousands of organizations worldwide aimed at bettering the lives of children. The Kiwanis International Foundation Board of Trustees meets officially three times per year. Grant requests from throughout the world are reviewed at these meetings. Because funds are limited and needs are great, priority is given to programs that are Kiwanis-family related, national or international in scope, serve young children, and are consistent with Kiwanis International objectives. Funding for these grants is made possible from the generous contributions to the Foundation's Annual Club Gift Campaign and Kiwanis Children's Fund, among other donations. ### Entergy

#### Entergy

The grant program awards matching money for initiatives that address issues dealing with Education and Community Involvement. Eligible programs include those designed to enhance the quality of life in communities, protect the environment or encourage students to stay in school. Examples include, but are not limited to park improvements, after-school activities (either recreational or academic), mentoring programs, self-improvement workshops for children and parents, and adult literacy projects. In considering requests for grants, priority is placed on programs in locations where Entergy has customers and/or employees. Please use the following links to determine if your project is located in an area where Entergy has operations: Arkansas, Louisiana, Mississippi, Massachusetts, New Hampshire, New York, Texas, and Vermont. If you have questions about this, please contact the Entergy contributions coordinator in your state.

**Today Dynamo  
Playgrounds is  
introducing our  
newest Biggo  
Swing: the  
Biggo Ovni**

**See it in action here:**

**As the newest addition to our revolutionary line of multi-user swings, this innovative swing will ensure a new flight of interactive play for users of all abilities.**

Users can sit, stand or lie down while riding the large saucer-like seat all over through its full 360 degrees of exciting motion. Unlike a traditional tire swing, this unique motion and seat construction cradles the riders within the dish, providing a safe yet exhilarating experience.

**Built with play value in mind, 1 to 4 users at a time** can enjoy each seat on this ride that helps develop balance and equilibrium and promotes physical and social activity.

Information, spec sheets and drawings of the BIGGO OVNI are now ready to be downloaded from our Dynamo RepNET.
