Discovery Center 5 (natural) - Includes Anchor Bolt

Children can interact with their friends on one of our largest play structures, which can accommodate up to 25 children. The Discovery Center 5 (both playful and natural) features the longest slide in the Discovery Center product line for the most adventurous 2-5 year olds. While robust, this structure also allows for increased teacher interaction with the transparent barrier and window panels. This structure encourages outdoor multi-sensory learning as children play and interact with components designed to build key developmental skills such as: fine and gross motor, science, dramatic play, music, and math! All Discovery Centers for 2-5 years exclusively feature an interactive TouchMath learning panel and free printed award-winning math curriculum for learning outdoors. Also, watch as children engage in dramatic play with the under-deck store panel!

Features

Exclusively feature TouchMath Learning Panel

ADA Accessible

Commercially compliant to CPSC and ASTM standards

IPEMA Certified

Choose 8" Ground Spike or 2" Anchor Bolt mounting (included)

Optional inground mounting package sold separately

Capacity: 20-25

Price: \$7,649.00

UP & Over" Double Deck w/ Bone Bridge & Mountain Climb

The Up and Over Playground System is an ideal play set for those areas where space is a concern. This double-deck play set features multiple play events such as 2 thrilling slides, the 4 ft. Ultra Mountain Climber and a crawl tunnel connecting 2 decks. Beneath the deck, the kids can play the drums or give the Rain Wheel a spin, and there is ample room on the deck for the kids to explore and let their imagination run wild. These structures are specially designed to meet the needs of children ages 2-5 years. AB-BONE Benefits and Highlights Designed for children ages 2-5 years One bone bridge Double tower structure with classic 4' play events Two ways up and two ways down Works well for small to medium-sized preschools, churches and community centers Build it in one day for a quick volunteer project Meets ADA requirements Available in Playful or Natural colors Choose from Mountain or Vine-themed climber AB-BONE Dimensions and Specifications Space Required: 28' x 30' Dimensions: 15'6" x 18' Deck Height: 4' Capacity: 15-20 Materials: Recycled Metal and Plastic Warranty: Wood (15 years) / Panels and Fiberglass (10 years) / Plastic Lumber and Metal Uprights (50 years) / Net Construction (5 years) Weight: 1,420 lbs.
