INTRODUCTION

KorKats is an industry leading playground and safety surfacing specialist.

The team at our company take pride in the long-term quality and resilience of our surfacing range. With over 25 years of working with these products we have unrivalled experience and knowledge in the play and recreation industry.

Our easy to install, innovative 2D surfacing products add color and interest to each pour while importantly saving days of time and labor, therefore reducing costs at each site they are used. Our 2D graphics provide a wide range of amazingly detailed creative characters, changing children's play spaces forever.

Many of our surfacing products include recycled materials.

Installations found in schools, day cares, parks, golf courses, hotels, hospitals, pools and residential home environments and are used by industry leading companies.

2D GRAPHIC INSTALLATION GUIDE

1

Gather required tools for marking and installing.

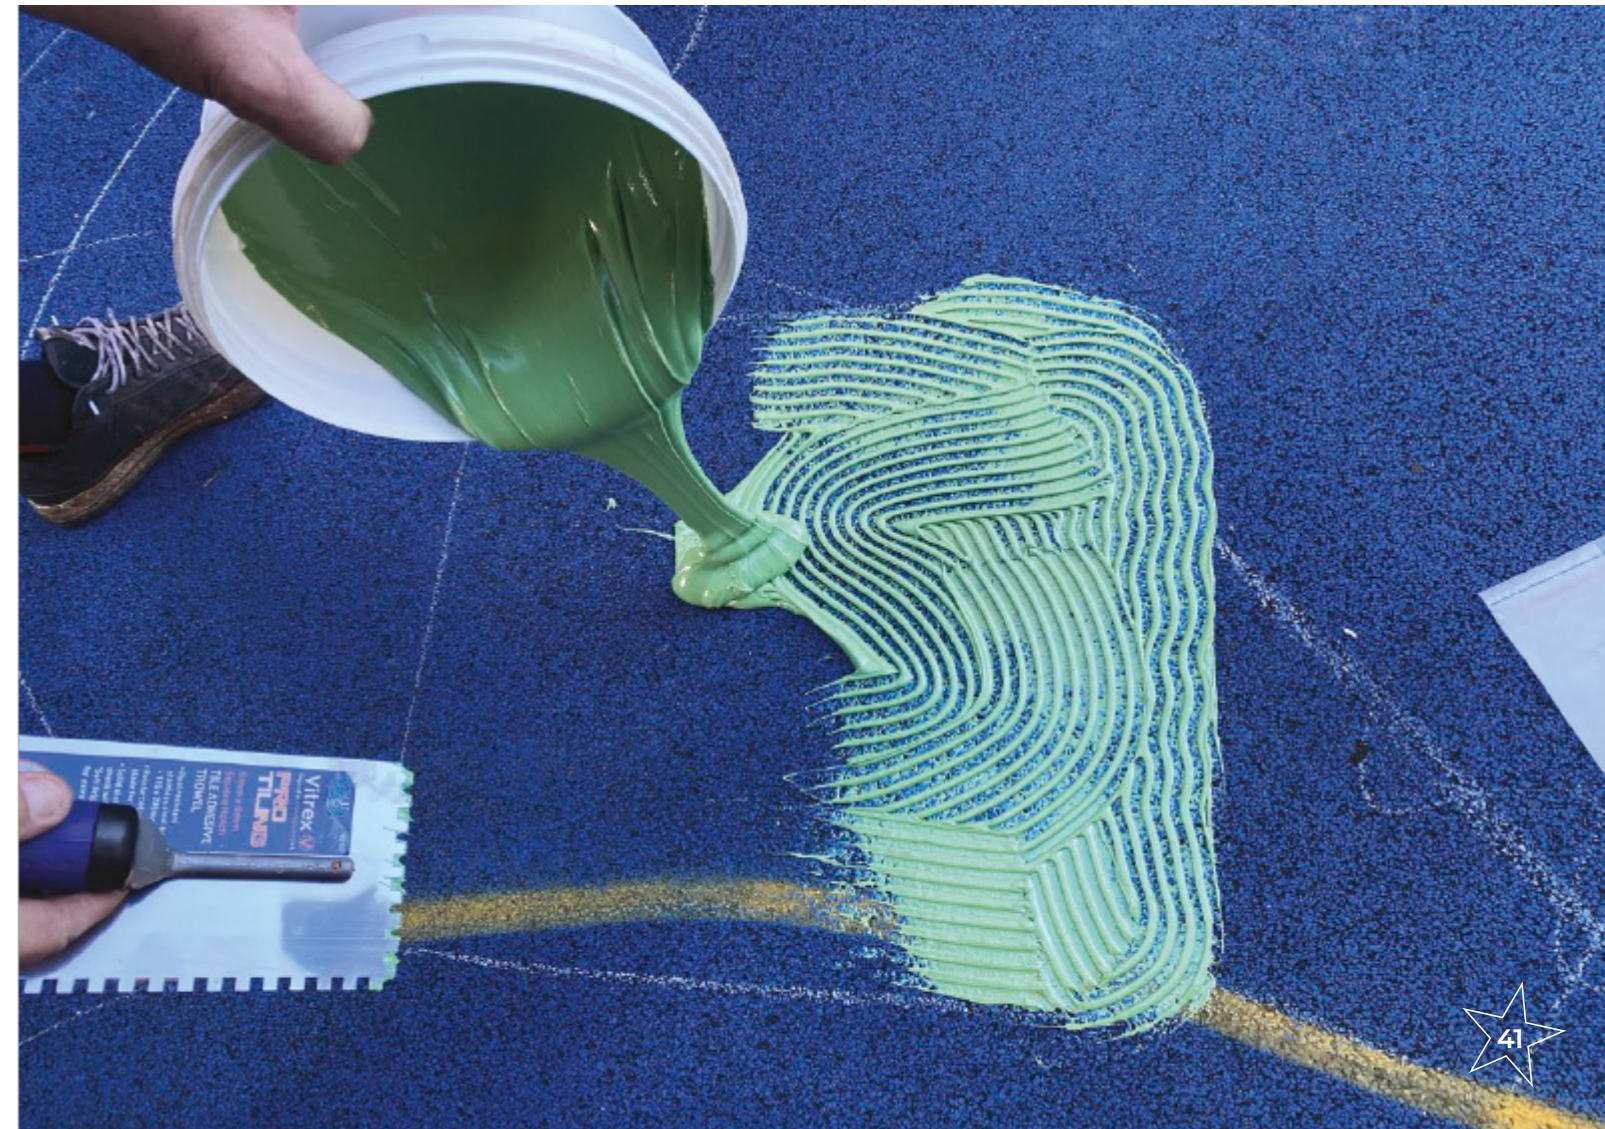

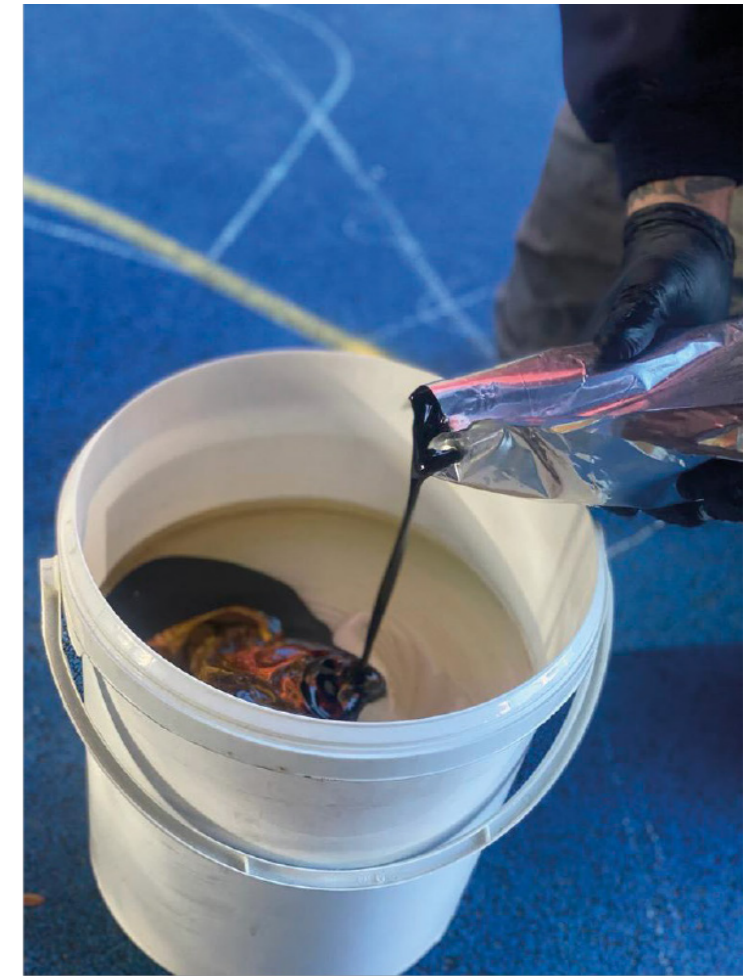

2

Place the graphic in the desired location and mark around using chalk, being careful not to mark the face.

3

Evenly spread the glue within the previously marked area ensuring the glue is even spread to the edges using a notched trowel.

4

Position the graphic on the glue and apply pressure for even glue distribution.

5

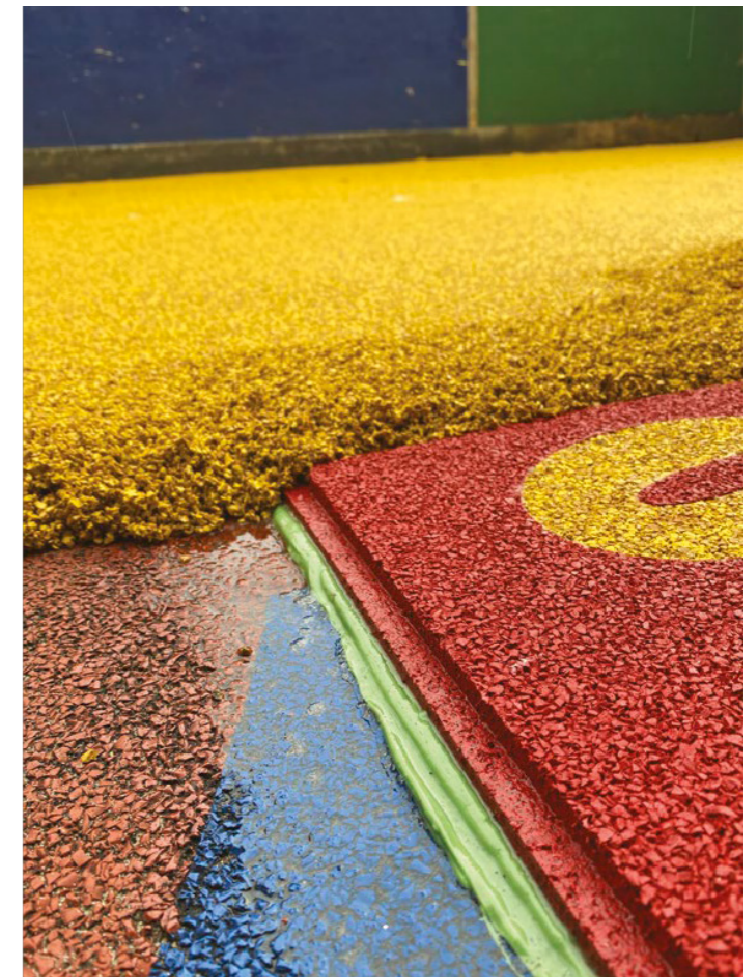

Apply your binder to the edges of your graphic being careful not to get any binder on the face of the graphic.

6

Install topping as required being careful not to cover the face of the graphic.

Clean up as required.
